

# Call for Programs

Calling all presenters! The 2006 SADD National Conference planning committee is looking for innovative workshops. We reach out to you, the experts in the field, to submit a proposal to facilitate a workshop and share your expertise at this year's conference to be held at the Boston Marriott Cambridge Hotel in Cambridge, Massachusetts, on July 14-17, 2006. Maybe you have an expertise in leadership and

chapter development or extensive knowledge in the areas of alcohol and other drug use, safe driving issues, suicide, or one of the many other issues facing youth today. Your SADD chapter or organization may have developed a program you would like to share so others might replicate it and share in your success. Although the committee is unable to select all of the proposals that are submitted, we will do our best to select the most appropriate and well-rounded selection of workshops for the conference. Workshop proposal forms are due no later than March 15, 2006. Selection notification will be made in early April.

Program proposals may be submitted to Felicity DeBacco-Erni either by mail to PA SADD, 2413 N. Front Street, Harrisburg, PA 17110 or by e-mail to [fdebacco@padui.org](mailto:fdebacco@padui.org). **The deadline for submission is March 15, 2006.**

## **Presenter Biography and Workshop Information**

**Short biographical statement:** This is used for the introduction of the coordinating presenter at the conference and should be limited to 60 words or less.

**Program abstract:** This statement should describe your workshop for participants. Limit the abstract to 125 words or less.

**Program description:** Please limit this to one page. Use a separate sheet of paper. Program selection is based on this submission. The information should include:

- Key points and learning objectives
- Information that participants can use in their school/community or for their personal development
- Interactive opportunities included in the workshop (ice breakers, group exercises, group discussion)
- Previous experience presenting this program

### **Audio Visual Equipment Request:**

Please keep in mind that equipment is very expensive to rent. Please limit your request to one of the items listed below. A flip chart and marker will be provided in each workshop room.

- Overhead projector and Screen
- Tape/CD player
- VCR/Monitor
- Screen only (presenter will bring laptop and LCD projector)
- No additional items needed

### **Attention PowerPoint Users!**

The only way we can keep our registration costs reasonable is to limit the conference expenses. As a result, if you are planning a PowerPoint presentation in your workshop, we ask that you provide your own laptop and LCD projector. If you are unable to do this, we ask that you switch to overheads.

## **Call for Programs Proposal Submission**

Submit your completed Call for Programs form by March 15, 2006 to:
