## Assess your personal interests, abilities and career goals

Based on your personal situation, answer the following questions:

1. What topics of study do or did you enjoy most in school?
2. What skills do you do well? What do you feel to be your most distinguishing skill or area of specialty?
3. What are your interests away from school or work?
4. Describe a situation in which you helped organize the work of others.
5. Describe a situation in which you worked with a team to achieve a goal.
6. Describe the kind of job you might like.
Based on your answers to the above items, describe two or three jobs that meet your criteria:

# **Evaluating the current employment market**

Select two career areas that interest you. Using library information, the internet and interviews with others, obtain answers to the following questions:

	Career 1	Career 2
What are the general activities and duties of this job?		
What are the physical surroundings, work hours, and mental and physical demands of this type of work?		
What training and educational background is needed for this area of employment?		
Will these career areas be in demand in the future?		
What are the starting and advanced salaries for this industry?		
What makes these careers attractive to you?		

# **Creating a resume**

A resume is a personal data sheet commonly used to apply for a job. It lists your skills and experience so future employers can see what you have already done and whether your experience meets the job's requirements. Fill out the following categories to assist you in preparing your resume.

Education — degree/programs completed, school, location,
