Our team works to achieve our mission daily. Whether school is in session or out for summer, our members are always working on new projects!

From local communities to the world stage, SADD is present in all 50 states and even has an international presence.

SADD addresses today's most pressing issues such as safe mobility, personal health and safety, and substance abuse prevention and awareness.

SADD believes in the power of youth! We utilize positive peer pressure and peer-to-peer intervention to achieve our mission.
